INSTRUCTIONS

1. Begin by creating crystal connectors using an eye pin to start and then making an eye pin loop at the end. Create 8 units (2 per color Lt Azore, Aquamarine, Lt Sapphire and Sapphire)

2. Connect the units together as shown and set aside.

3. Cut the chain into the following lengths: 2 pieces 1 inch long, 2 pieces 7 inches long, 1 piece 1 1/2 inch long, and 1 piece 1 1/4 inch long.
4. Use a jump ring to connect the AB crystal star pendant to 1 1/2 inch piece of chain.
5. Use a jump ring to connect the Lt Sapphire crystal star pendant to 1 1/4 inch piece of chain.
6. Use a jump ring to connect the two crystal star pendants, the star frame pendant and the two 1 inch pieces of chain together.
7. Attach the beaded connectors and the remaining pieces of chain.
8. To finish, attach lobster claw and 7mm jump ring to make the closure.
