

WANNA BE PAGE LAYOUT PROJECT

If someone you know loves to skateboard you can easily make this layout for their scrapbook or to put in your own!

What You Need:

Sticker® Classic Skateboarding - SPSG116

K&Co Remake Ocean Blues Chipboard Alpha Box - 940048

HERMA® Dotto™ Adhesive - Permanent HMDP9272

3D-Dots™ White Adhesive Foam 1/8" Strips - SPAF/ST

Paper Shapers® Nesting Punches - Circle Punches: 1-1/2", 1-1/4", 1", 3/4", 5/8"

Cutterpede® Straight Edge Trimmer - EKCP01

Martha Stewart Crafts™ Sans Serif Font Stamp Set

- M331003

Martha Stewart Crafts™ Toy Transportation Stamp Set - M331037

ZIG® Memory System® Writer Black - MS6600/10

Cardstock - bright blue, lime green, red, yellow and orange

Black ink

What to Do:

1. Print photos in grid pattern on photo paper. Mat with lime green and glue to page base.
2. Trim orange cardstock to fit. Draw line around edge and glue to page as shown.
3. Stamp subtitle on orange title block.
4. Stamp "8" on yellow cardstock. Punch with circle punch. Mat with larger red circle punch.
5. Finish title block as shown in photo, using foam adhesive to secure the "8".
6. Punch circle frames from cardstock. Glue to page.
7. Add stickers as seen in photo, using foam adhesive for some.
