### INSTRUCTIONS

1. Cover one piece of 12 x 12 chipboard with black cardstock.
2. Punch squares from blue and red cardstock using square punch. Adhere them to the base to create Checker Board, leaving 1/8 inch between each square.
3. Create playing pieces using second sheet of chipboard. Punch 24 circles from chipboard and cover each with black cardstock circles. Apply baseball, tennis ball, basketball and soccer ball stickers to each circle. One player uses the small balls, and the other player uses the larger balls.
