### INSTRUCTIONS

1. Create card base out of grey cardstock.
2. Add one piece of patterned of paper to the top and add a second patterned paper strip to the bottom of the card.
3. With a glue stick, adhere chipboard flower and “mom” letters to the card.
4. Use the Punch and Stamp with the Happy Mother's Day stamp. Add a second punched circle behind the stamped circle.
5. Add the circles created in step four to the circle of the flower.

Note: Template may not print to size. Please refer to the measurements.
