INSTRUCTIONS

1. Cover accordion book pieces with floral paper. Machine stitch edges. Cover insides with ivory cardstock cut to 6 x 6 inches.
2. Cut accordion pages into four 2-page folded sections. While still folded, cut each

- section down to 6 x 6 inches.
3. Cut ivory pattern paper into four 12 x 6 strips. Cover folded page sections with the ivory pattern paper.
 4. Cut pocket angle on one side of all pages. Add ivory cardstock to the back pages that show.
 5. Cut four 1 1/2 x 2 inch blocks of ivory pattern paper. Fold in half to create page tabs and adhere to individual pages.
 6. Print section titles on ivory cardstock and trim to fit tabs. Adhere to tabs.
 7. Machine stitch around page edges to create pockets, making sure to capture tabs to secure them.
 8. Print "the details" on ivory cardstock. Cut into individual letter blocks and adhere to die cut. Attach die cut to cover using foam adhesive.
 9. Embellish cover as shown using die cuts, stickers, rhinestones and cording.
 10. Punch holes through covers and pages with the anywhere hole punch.
 11. Bind book with binder rings and tie top ring with ribbon lengths.
