INSTRUCTIONS

1. Paint letters for title with yellow paint and set aside to dry.
2. Create layout base out of blue cardstock. Add patterned paper to the top portion. Print journaling on white cardstock and add that to the bottom portion.
3. Stitch around the edges of the layout.
4. Cut a strip of yellow cardstock. Remove the guard from your corner punch and use it to scallop one edge.

5. Outline the edges of yellow scalloped strip with the Platinum brush marker. Adhere to the page and stitch around the edges.
6. Add photos to the page, large in the center and smaller ones on top with 3D-Dots Foam Adhesive.
7. Outline and shade title letters with the Platinum brush marker and adhere to top of page.
8. Outline the edges of cloud stickers with Platinum brush marker and adhere 3D-Dots foam adhesive to the back. Before adhering to page, deactivate remaining adhesive areas on sticker backs with powder tool.
9. Finish by adding adhesive rhinestones to resemble raindrops and to dot the "I"s in your title.
